Hello Fellow Sledders!

Well! Mother Nature sure got us excited last week! Did you go start your sled and plan your first ride? Share the excitement and come to a club meeting. Our club meetings have been packed lately! Last meeting Representatives Margaret Craven and Mike Lajoie were present. They were very interested in learning about all the work and the fun that's involved in snowmobiling. Our club helps to support a HUGE recreational industry for the state of Maine. We will do our best to get them on the trails this winter for some real fun ☺. They gave the members some great tips on supporting the snowmobiling legislation we would like to see pass. Contact Eric or Josh for more info.
